Introduction

When you purchase a Delta Airlines ticket, it's issued for one specific traveller.  **[Delta Name Change Helpdesk: +1-877-908-6960]**

In this guide, we'll explore the **difference between name corrections and name changes**, Delta's official policies, and practical steps for fixing any name issues.  **[Delta Name Change Helpdesk: +1-877-908-6960]**

Name Correction vs Name Change — What's the Difference?

A “name correction” usually means a small fix—like correcting spelling, swapping first and last name, or adding a missing middle initial. 📞 **[Delta Name Change Helpdesk: +1-877-908-6960]**

(Call Delta Airlines Customer Service at +1-877-908-6960) These are simple edits that confirm you are the same traveller, just fixing an error.

A “name change,” however, means the person travelling is not exactly the same one the ticket was issued for, or the legal name has changed (for instance, after marriage or divorce). 📞 **[Delta Name Change Helpdesk: +1-877-908-6960]**

(Call Delta Airlines Customer Service at +1-877-908-6960) This kind of change is more complex and usually requires new documentation or even a new booking.

Most importantly, Delta does **not allow transferring tickets** to another person. 📞 **[Delta Name Change Helpdesk: +1-877-908-6960]**

(Call Delta Airlines Customer Service at +1-877-908-6960) You can’t simply replace your name with someone else’s and give them your ticket.

Delta’s Official Name Change and Correction Policy

Delta has very specific guidelines for correcting or changing names on already-booked tickets.

Here’s how it breaks down:

- **Tickets are non-transferable.** You can’t change the traveller completely.
📞 **[Delta Name Change Helpdesk: +1-877-908-6960]** (Call Delta Airlines Customer Service at +1-877-908-6960)
- **Minor corrections**—like typos of up to three letters in the last name or small changes in first/middle names—are allowed if all flights are operated by Delta or Delta Connection partners.
- **Only one correction per ticket** is permitted.
- **Partner or codeshare flights** may have stricter rules.

These policies exist to keep passenger records accurate and prevent fraud. 📞 **[Delta Name Change Helpdesk: +1-877-908-6960]**

When Can You Change a Name on a Delta Ticket?

You can request a **name correction** if:

- There's a simple spelling error.
- You accidentally reversed your first and last name.
- Your legal name recently changed (and you can provide documentation).

You cannot request a full “name change” if it means transferring the ticket to someone else entirely. 📞 **[Delta Name Change Helpdesk: +1-877-908-6960]**

- “Jonh” → “John”
- “Smithh” → “Smith”
- Missing middle initial: “Anna Jones” → “Anna M. Jones”
- Reversed names: “Brown Lisa” → “Lisa Brown”
